Re: Request for Proposal Convention Center District Development Project

To the Ernest N. Morial New Orleans Exhibition Hall Authority:

Please be advised that the name of our original responding group was River Park Neighborhood Investors, LLC. For several reasons, including a potential conflict and/or confusion with other entities with similar sounding names, we changed our name to River District Neighborhood Investors, LLC. Our original proposing group remains entirely intact and constituted as originally presented in our RFQ response dated October 18, 2019, subject only to some notable additions detailed in our RFP proposal package. Accordingly, our Master Developer entity has been formed as **River District Neighborhood Investors, LLC**.

We are submitting this letter along with and as part of our submittal dated this date in response to the subject RFP in order that there be no confusion as to the identity of the submitting entity.

Sincerely,

Louis Lauricella
